

TM Oberon UK Smaller Companies Fund Class I

ISIN (Income): GB00BVLDR099

During certain periods, including the initial years post launch, or in difficult market conditions the Fund will hold a more concentrated number of holdings (which would be 30 or fewer assets held). Once the Fund is established and/or when there may be more opportunities in the market the number of holdings will increase. The use of derivatives is permitted by the Fund for efficient portfolio management purposes (including hedging) and for investment purposes, although it is not anticipated that the Fund will use this power to enter into derivatives at present. In the event that the Fund intends to make use of derivatives for either investment or efficient portfolio management purposes shareholders will be given 60 days' notice.

All the risks currently identified as being applicable to the Fund are set out in the 'Risk' section of the Prospectus.

Charges for this Fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry Charge	None
Exit Charge	None
This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investments are paid out	
Ongoing charges	0.99%
Charges taken from the Fund under certain specific conditions
